

BUILDING DETAIL

SCALE 1" = 50'

16.399 ACRES WEST OF ROAD
18.773 ACRES EAST OF ROAD
2.290 ACRES SOUTHWEST CORNER
37.462 ACRES TOTAL

NOTES:

1. This plan was prepared by the undersigned on the basis of a field survey conducted on the 15th day of August, 1954.
2. The area shown on this plan is bounded by the following bearings and distances:
3. The area shown on this plan is bounded by the following bearings and distances:
4. The area shown on this plan is bounded by the following bearings and distances:
5. The area shown on this plan is bounded by the following bearings and distances:
6. The area shown on this plan is bounded by the following bearings and distances:
7. The area shown on this plan is bounded by the following bearings and distances:
8. The area shown on this plan is bounded by the following bearings and distances:
9. The area shown on this plan is bounded by the following bearings and distances:
10. The area shown on this plan is bounded by the following bearings and distances:
11. The area shown on this plan is bounded by the following bearings and distances:
12. The area shown on this plan is bounded by the following bearings and distances:
13. The area shown on this plan is bounded by the following bearings and distances:
14. The area shown on this plan is bounded by the following bearings and distances:
15. The area shown on this plan is bounded by the following bearings and distances:
16. The area shown on this plan is bounded by the following bearings and distances:
17. The area shown on this plan is bounded by the following bearings and distances:
18. The area shown on this plan is bounded by the following bearings and distances:
19. The area shown on this plan is bounded by the following bearings and distances:
20. The area shown on this plan is bounded by the following bearings and distances:
21. The area shown on this plan is bounded by the following bearings and distances:
22. The area shown on this plan is bounded by the following bearings and distances:
23. The area shown on this plan is bounded by the following bearings and distances:
24. The area shown on this plan is bounded by the following bearings and distances:
25. The area shown on this plan is bounded by the following bearings and distances:
26. The area shown on this plan is bounded by the following bearings and distances:
27. The area shown on this plan is bounded by the following bearings and distances:
28. The area shown on this plan is bounded by the following bearings and distances:
29. The area shown on this plan is bounded by the following bearings and distances:
30. The area shown on this plan is bounded by the following bearings and distances:
31. The area shown on this plan is bounded by the following bearings and distances:
32. The area shown on this plan is bounded by the following bearings and distances:
33. The area shown on this plan is bounded by the following bearings and distances:
34. The area shown on this plan is bounded by the following bearings and distances:
35. The area shown on this plan is bounded by the following bearings and distances:
36. The area shown on this plan is bounded by the following bearings and distances:
37. The area shown on this plan is bounded by the following bearings and distances:
38. The area shown on this plan is bounded by the following bearings and distances:
39. The area shown on this plan is bounded by the following bearings and distances:
40. The area shown on this plan is bounded by the following bearings and distances:
41. The area shown on this plan is bounded by the following bearings and distances:
42. The area shown on this plan is bounded by the following bearings and distances:
43. The area shown on this plan is bounded by the following bearings and distances:
44. The area shown on this plan is bounded by the following bearings and distances:
45. The area shown on this plan is bounded by the following bearings and distances:
46. The area shown on this plan is bounded by the following bearings and distances:
47. The area shown on this plan is bounded by the following bearings and distances:
48. The area shown on this plan is bounded by the following bearings and distances:
49. The area shown on this plan is bounded by the following bearings and distances:
50. The area shown on this plan is bounded by the following bearings and distances:
